

# Paddle Newfoundland & Labrador

## Overview

Renewing members and new members now have the option of paying their registration fees by Interac e-Transfer (sometimes referred to as Email Money Transfer or EMT). Everything can now be done online by filling in the online application and paying by eTransfer.

Interac e-Transfer is an alternative to sending a cheque or money order to the club. The choice of payment method is up to each participant, and the **amount due is the same regardless of the payment mode you select.**

Payment by Interac e-Transfer is done via your Bank's online banking web site. Additionally, your Bank may charge a fee for providing the e-Transfer service. These fees are typically in the \$1-2 dollar range but do vary between financial institutions and may change at any time. **All fees and other arrangements with the bank are the responsibility of the applicant.**

For more information regarding Interac e-Transfer please see your bank's web site and the Interac web site <http://www.interac.ca/en/interac-e-transfer-consumer.html#sp-expandable-content-wrapper>.

## ***Problems***

If your current e-mail address is not on file with your Bank, we may receive your e-Transfer, but you may not receive confirmation notices. Please ensure that your Bank's on-line profile is up to date.

If your Bank does not participate in the Interac e-Transfer program, you will not be able to pay your membership via Interac e-Transfer. In that case, you will need to send a cheque or money order along with the Application form to Paddle Newfoundland & Labrador. For assistance with electronic banking see your bank web site or contact their customer service department.
